Principles

1. Payments of honoraria or fees to participants in the NZRAB's activities:
 - shall be consistent with Cabinet Office Circular Fees framework
 - can not recompense contributors fully for the value of their time
 - are derived from ministerial direction in terms of fees paid to the Board Chair and Board members and general public service practice
 - must be claimed within three months of when the claimed-for event, meeting or activity took place.
 - shall be rounded up to the dollar where fees are not set by the Minister.
 - shall be as per the NZRAB Internal Fee Schedule, attached.

Board and Committee meetings

2. Fees paid for attendance and preparation for Board and Board Committee¹ meetings shall be measured in half day blocks for the actual time spent.
3. Payments for preparation for attending Board and Board Committee meetings shall be at the same rate as for actual attendance, up to an equivalent to the time spent attending the meeting (e.g. for a one-day meeting, one day's preparation time shall also be paid). Drafting Board or Committee papers by Board or Committee members is **not** included in this payment, and is addressed in "ad hoc duties".
4. Non-Board members who are members of Board Committees, either as Chair or as ordinary members, shall receive the same payments as the Board Chair or Board members receive when serving on Board Committees.
5. Payment for Board or committee meetings held by conference call shall be for a ½ day inclusive of the 'meeting' and preparation. There shall be no payment for participation in an email-based Board or committee meeting.

Other duties

6. Payment of fees for other Board and Committee roles shall be on the following basis:
7. **Board chair**
1 day per month for general duties as chair.
For attending meetings with outside parties on behalf of the Board, payment shall be as per policies 2 & 3.

¹ Board Committees are committees appointed under section 55 of the Registered Architects Act 2005.

8. **Board deputy chair**
1/2 day per month for general duties as deputy chair.
For attending meetings with outside parties on behalf of the Board, payment shall be as per policies 2 & 3.
9. **Board Committee chairs**
2 days per year (July to June, pro rata) for general duties as chair.
For attending meetings with outside parties on behalf of the Board, payment shall be as per policies 2 & 3.
10. Payments for attending training events shall be as per attendance at Board or Committee meetings by that office holder.

Ad hoc activities

11. Where Board, Committee, assessor or work group members do work for the Board apart from the work described above, payment shall be on the basis of what is fair and reasonable for actual time spent. The rate shall be as set for attending meetings as applicable to the office that the person holds.
12. Board members may not act as paid consultants to the Board.
13. Where a person has recently ceased to be a Board member and needs to complete work he or she was doing as a Board member, subject to claim the former board member shall be paid a fee equivalent to the fee he or she would have received as a Board member/office holder doing the same work.

Investigating and Disciplinary Committees

14. The Chair of the Investigating Committee shall receive the same payment as Board Committee Chairs for an initial review of a complaint.
15. Chairs of Investigating Committees and Disciplinary Committees shall receive the same payments as Board Committee Chairs for initial attendance and preparation for Investigating Committee and Disciplinary Committee hearings.
16. The Chair of the Investigating Committee and the Disciplinary Committee shall receive the same payment as Board Committee Chairs for writing a report of the Committees' finding and recommendations to the Board.
17. Other members of Investigating Committees and Disciplinary Committees shall receive the same payments as Board Committee members for attendance and preparation for Investigating Committee and Disciplinary Committee hearings.
18. Persons undertaking reviews of individual cases shall receive payment for their time at the same rate as for persons attending Board meetings.

Qualifications and Experience Assessment Panel (QEAP)

19. QEAP members shall receive honoraria for each qualifications and experience assessment done, which shall be 40 per cent of the payment made to a registration assessor per assessment, as set in Schedule 1 of this policy.

Degree Accreditation

20. The members of the New Zealand Degree Accreditation Procedure Management Panel shall receive the same honoraria as the Deputy Chair receives for ad hoc activities.

Assessors

21. Assessors shall receive a payment per assessment for initial or continuing registration, and the same payment for attending a moderation meeting or a day's training, which shall be 75 per cent of the honoraria paid to Board members for attending a one day meeting.
22. Assessors who provide lectures or presentations to assessors training sessions shall receive a payment per presentation equivalent to the attendance payment.
23. Assessors shall **not** receive an additional payment for preparation time.

Work Groups etc

24. The Board Chair, Deputy Chair, Board members and Assessors attending ad-hoc meetings of work groups, task forces or other groups, apart from Board Committees or Investigating and Disciplinary Committees, shall receive the same attendance payment per day as for the office that they hold and other persons attending shall be paid the same daily fee as assessors.
25. Work group participants shall **not** receive a payment for preparation time.

Travel and other costs

26. Travel time shall **not** be paid, except where a person has to travel for three hours or more on a different day from the day required for the meeting etc, payment to be in half day increments.
27. Associated costs such as flights, taxis and the like shall be reimbursed on the basis of reasonable actual costs and the provision of receipts.
28. Recompense for the use of personal vehicles for Board business and for the provision of private accommodation shall be as set by the State Services Commission for public servants.
